VARGAS' OFFICE RESTORES FOUR MORE HOMES IN SHERMAN HEIGHTS

On Friday, October 8, 2004, the office of Assemblymember Juan Vargas, along with over 150 volunteers from Deloitte, one of the nation's leading professional service firms, restored four homes in the community of Sherman Heights.

These four homes mark Vargas' latest revitalization efforts in San Diego's historic urban communities. Vargas, who serves as the chairman of the Assembly Select Committee on Urban Revitalization, has led efforts to restore over 80 homes in his 11 years of public service, dating back to his days on the San Diego City Council.

"In these tough economic times, revitalizing homes brings hope to our community and our families," said Vargas. "I am proud to be a part of this team effort."

This event was co-sponsored by local businesses and public agencies such as the Inner City Business Association, City of San Diego's Urban Forestry Division, Historic San Diego, Debris Box Disposal and the San Diego Police Department.
